- Payment is required when you submit your application online.
- US dollar equivalents are for reference only. (1 USD = 150 JPY)

Application Eligibility

a) Academic Entry Requirements

- Applicants must have completed a standard 12-year school* education, or an education corresponding to that (equivalent to Japanese senior high school, International Baccalaureate Diploma, Abitur, Baccalaureate Diploma, or GCE A level).
*The Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan allows students who have completed 11-year educational programs in some countries to apply to Japanese universities. For more information, please check MEXT's entrance qualification for universities.
- Applicants must have a comprehensive understanding (equivalent to high school level) of a majority of the specified fields for their desired faculty. (See right.)

▶ Faculty of Engineering

Applicants must have a comprehensive understanding of the majority of the **mathematics and physics** fields listed below.

Mathematics	Algebra, Geometry, Pre-calculus, Statistics
Physics	Force and Motion, Waves, Electricity and Magnetism, Atoms

▶ Faculty of Bioenvironmental Sciences

Applicants must have a comprehensive understanding of the majority of the **biology or chemistry** fields listed below.

Biology	Cells and Metabolism, Genes, Reproduction and Development, Physiology of Animals and Plants, Evolution and Phylogeny, Ecology and Environment
Chemistry	Atoms/Molecules/Ions, States of Matter, Chemical Reactions, Organic Chemistry

▶ Faculty of Economics and Business Administration

Applicants must have a comprehensive understanding of the majority of the **mathematics** fields listed below.

Mathematics	Algebra, Geometry, Pre-calculus, Statistics
--------------------	---

b) English Language Requirements

Applicants must prove that they can thrive in an English academic environment before enrollment. KUAS accepts the following English proficiency test scores.

Test	TOEFL*	IELTS	PTE	Duolingo English Test
Minimum Score	Internet-based (iBT): 75	Academic overall band score: 5.5	Academic: 50	105

* KUAS also accepts TOEFL iBT Home Edition and MyBest™ scores.

English language requirement exemptions

Applicants who have obtained an International Baccalaureate (IB) Diploma in English or who have spent the last three years of their formal education studying in English in the following countries are exempt from the English language requirements.

U.S., Australia, New Zealand, Singapore, Ireland, the United Kingdom (England, Scotland, Northern Ireland, Wales), or Canada (excluding Quebec)

Applying for an English waiver

Also, applicants who completed the last three years of their formal education in English in a country other than the above-mentioned countries may apply for a waiver of the English language requirements.
